WELCOME ONCE MORE TO GALA WEEK STARTING SUNDAY 30th JUNE 2024

Welcome, once again, to the Broughty Ferry Gala Week! The Gala Committee has organised and managed the event for over 100 years now, and as you can imagine, that is no mean feat!

Along with the annual Christmas Lights Night, Gala Week allows us to come together as a community, something which today, is more important than ever. It is always a joy to see young and old, as well as everyone inbetween taking part, meeting friends old and new, all helping to create what makes Broughty Ferry so special.

As ever, there's a full programme of activities and events, whatever your interests may be. Whether it's The Royal Arch testing your quiz knowledge, finding out more about the rich history of Broughty Ferry, marvelling at some of the gardens around the town or simply enjoying being on the beach with the kids. I would urge you to look at the programme and sign yourself up for whatever takes your fancy!

As ever, these events would simply not happen without the tremendous support and efforts of many individuals and organisations.

Firstly, our Sponsors, many of whom have supported us unfailingly over many years. To each one of them, thank you. I would also like to thank members of the Broughty Ferry Traders Association, those on the Gala Committee and the volunteers, who give their time and energy to ensure the success of Gala Week and so much more. Finally, it's also important to acknowledge and thank Dundee City Council for all of their advice and help in making this special week happen.

So, please have a fantastic time. We look forward to seeing you!

Gala Committee.*

THE RULES

Broughty Gala Week's *legendary* **Window Guessing Competition**, first started way back in 1932, and the rules are exactly the same today! All the participating shops and businesses are members of The Broughty Ferry Traders' Association, and have displayed in their windows an article which they do not sell. The object of the competition is for young people (under 14) to look at the windows and discover what the 'odd' article is. For instance in the Baker's shop you might find a teapot or in the newsagent, a paint brush. **Remember, sometimes it will be hard to spot, but children should not go into shops and ask for clues!** The participating shops have a Red Diamond with a number on it in their window, which corresponds to the number on the entry form on the following page.

Huge thanks to all the above businesses and advertisers for their continuing membership and participation. Gala Week and Christmas Lights Night are fully financed by the BFTA and our aim is to bring the community together while increasing the number of visitors to Broughty Ferry encouraging the use of all the local amenities and businesses, members or not. Without their investment and commitment which keeps our town the vibrant and attractive destination that it is, these events would simply not go ahead. By supporting local businesses, we all play a major role which helps maintain our fabulous and diverse range of shops & services, many which are independently owned by local families. I encourage all neighbouring businesses to join the bfta and benefit from a strong business collective which makes broughty ferry better! Contact secretary@broughtyferry.co.uk to learn more. Many thanks, Steve James BFTA Chairman. chairman@broughtyferry.co.uk
